How to replace the speaker of Samsung Galaxy J5 (2016)

This video shows you how to replace the broken loudspeaker of Samsung Galaxy J5 (2016).

Written By: Eric

INTRODUCTION

Replace the broken speaker of your Samsung Galaxy J5 (2016) for increased listening enjoyment.

In following situations you have to change the loudspeaker:

Too much noise when listening to music;

Low volume in videos and the volume is not adjustable;

The earpiece is broken or damaged.
